2/20/90

Dear Ulric Shannon,

I enclose a list of our book and order form.

Oswald In New Orleans is out of print and has been for years. When we can find copies, they usually bring $26, and the original price was 95¢.

Sometimes you can get a copy in second-hand stores but not often.

I don't think that either the Warren or the HSCA volumes were every microfilmed.

I've not heard that either was.

I'm sorry I don't know anything about companies that make and sell microfilms so I can't refer you to any.

And, although I don t intend to be discouraging, I've not heard of a set of either for sale on years.

Sincerely,

Harold Weisberg
